

Connor

SMALL TABLES

Simple geometries and minimal shapes for the Connor coffee tables, available in round or rectangular versions. The four sections of the top enhance the game of geometries, while the tay wood structure with chrome-plated London smoke grey finish, combined with the bronzed profiles, lends the piece an urban style touch, in line with the 2019 Gianfranco Ferré Home collection.

Structure in Tay wood tinted smoky grey. Bronze decorated profiles. Base with black lacquered finish.
